## **APPENDIX A**

### **1. PURPOSE**

This Appendix sets forth how your monthly rent will be determined, and the circumstances under which your Monthly Rent set forth on page 1, #6 of your lease may increase or decrease.

### **2. BASIC FACTORS**

There are four basic factors which are used to calculate Monthly Rent:

**PA Rent:** PA Rent for the unit for **one member is: \$176**

PA Rent for the unit for **two members is: \$204**

**Basic Rent:** Basic Rent for the unit for **one member is: \$338**

Basic Rent for the unit for **two members is: \$366**

Basic Rent is the amount of rent necessary to pay the expenses of the project.

**Market Rent:** Market Rent for the apartment is **\$732**. Market Rent is the amount of rent to be charged if the Housing Trust Fund Corporation had not subsidized the development of your unit. If the operating expenses of the project increase Market Rent may be increased accordingly.

**Tenant's Household Income:** This is the combined income of all persons residing in the unit.

**Shelter Allowance:** Shelter Allowance is the amount that the local Department of Social Services will pay for rent.

### **3. INCREASES IN RENT (AFTER 30 DAYS NOTICE)**

- A. Unless your Monthly Rent is based on Shelter Allowance, Your Monthly Rent may increase if Basic Rent increases due to increases in operating costs of the project that your unit is in. Your Monthly Rent will be the amount stated on page 1, #6 of the lease or Basic Rent, whichever is more.
- B. Your Monthly Rent may increase if your Household's Income increases but not unless your Household's Income increases above public assistance level. If your Household's Income increases, your Monthly Rent will adjust to 30% of your Household's income (less an allowance for certain utilities you may pay for). Your Monthly Rent will not be increased above Market Rent, but will not be less than Basic Rent.
- C. If your Monthly Rent is based on the Shelter Allowance, and the Shelter Allowance is increased, Monthly Rent will be increased to the new Shelter Allowance amount.
- D. If you or any member of your household is receiving a rent subsidy, and that rent subsidy increases, your rent may be increased accordingly at the discretion of the Landlord.

### **4. DECREASES IN RENT**

You are not entitled to decreases in rent based on decreases in income or decreases in rent subsidies; however, you should report such decreases to the Landlord. The Landlord may decrease your rent if:

- A. If any such rent subsidy you are receiving is decreased. Your Monthly Rent may be decreased accordingly at the discretion of the Landlord but will not be less than Basic Rent.
- B. If the tenant's income is significantly reduced. Your Monthly Rent may be decreased accordingly at the discretion of the Landlord, but will not be less than Basic Rent.

**5. IMMEDIATE INCREASE FOR FAILURE TO PROVIDE INFORMATION, FALSE INFORMATION**

If tenant fails to provide information, or falsifies information required to be furnished to the Landlord under this lease, rent will immediately increase to Market Rent. Tenant further understands that she/he will be required to pay the difference between rent paid and Market Rent, if incomplete or false information was previously supplied.

**HOUSE RULES AND REGULATIONS**

The tenant **may not**:

- A). Have pets or animals of any kind in the unit other than those expressly permitted in writing in Pet Rules as may be established by the Landlord.
- B). Make or permit noises or acts that will disturb the rights or comfort of neighbors. The tenant agrees to keep the volume of any radio, phonograph, television or musical instrument at a level which will not disturb the neighbors.
